PURPOSE The Canadian Elevator Contractors Association (CECA) scholarship fund was established in 2016 and we are pleased to offer it again this year. The mission of the scholarship is to provide financial assistance to children, stepchildren and grandchildren of CECA members and their employees enrolled in post-secondary studies in a recognized Educational Institute in Canada. Two separate scholarship funds have been established: one primarily for an applicant interested in pursuing any career in the Elevating Industry; and one for an applicant pursuing any other career path.
